

## **HOYA ELECTRONICS SINGAPORE – WE'RE HIRING!**

### **Be Part of a Team That Powers Innovation in the Semiconductor Industry!**

Are you passionate about technology and innovation? HOYA Electronics Singapore is looking for talented individuals to join our dynamic team. We are a leading player in the semiconductor industry, and we're hiring for the following roles:

#### **Open Positions:**

- **Senior Automation Engineer**
- **Equipment Engineer (Deposition)**
- **Inspection Engineer**
- **IT System Analyst (ERP)**

If you thrive in a fast-paced, innovative environment and want to make an impact in the semiconductor industry, we want to hear from you!

#### **How to Apply:**

Send your resume to **[HOES-recruitment@hoya.com](mailto:HOES-recruitment@hoya.com)** and take the first step toward an exciting career with HOYA Electronics Singapore.

---

## **Why Join HOYA?**

- **Be part of a global leader** in the semiconductor industry.
- **Work on cutting-edge technology** and innovation.
- **Enjoy a collaborative and supportive work environment.**
- **Opportunities for professional growth** and development.

**HOYA Electronics Singapore – Powering the Future of Technology.**

---

## **Frequently Asked Questions (FAQs)**

### **What does HOYA Electronics Singapore do?**

HOYA Electronics Singapore is a key player in the semiconductor industry, specializing in advanced materials and technologies that power electronic devices worldwide.

## What roles are currently open?

We are hiring for:

- **Senior Automation Engineer**
- **Equipment Engineer (Deposition)**
- **Inspection Engineer**
- **IT System Analyst (ERP)**

## What qualifications are required?

- **Senior Automation Engineer:** Degree in Engineering, experience in automation systems, and programming skills (e.g., Python, PLC).
- **Equipment Engineer (Deposition):** Degree in Engineering, experience in semiconductor equipment maintenance, and knowledge of deposition processes.
- **Inspection Engineer:** Degree in Engineering, experience in quality control, and familiarity with inspection tools.
- **IT System Analyst (ERP):** Degree in IT or related field, experience with ERP systems, and strong analytical skills.

## How do I apply?

Send your resume to **HOES-recruitment@hoya.com** with the subject line indicating the position you're applying for.
